DNA Groups

The DNA Groups have been assigned and will begin meeting in September. The following questions can be used to open your time together.

- Welcome: Let's go around the room and share: What is one good thing that happened to you this week, and what is one challenging thing? What are your hopes for our DNA group over the next 9 weeks?
- Discipleship: Read 1 John 1:1-4. Why does John strongly emphasize that he heard, saw, and touched the "Word of life," and what were the two main reasons he wrote this letter to the church? What stands out to you in this text or from the sermon on Sunday?
- Nurture: Are there areas in your life where you lack assurance or operate as if Christianity is a "title you live up to" rather than a "gift you receive"?
- Accountability: Statistics show 86% of people come to faith through the invitation of friends or relatives. Who is one person you can listen to, ask questions of, and share the joy of Jesus with this week?
- Closing Prayer: How can we be praying for each other this week as we navigate our challenges and seek to deepen our fellowship with God?
