"Same Page" Summer Bible Reading Challenge Continues Through August!

We want to be a community transformed by God's Word, and the best way to do that is to read it together. All summer, we will be reading through the New Testament. If you've struggled with Bible reading plans in the past, this one is for you! Here is our mindset for the summer:

- **Habit over Perfection:** Our goal is building a lifelong habit, not finishing a perfect checklist.
- **Just Jump In:** Think of it like meals—if you missed breakfast, you don't eat two meals at lunch. If you fall behind in the reading, skip what you missed and just jump back in on today's passage!
- **It's Faster Than You Think:** The daily reading takes about the time it takes to scroll social media. Let's trade screen time for Scripture time this summer! Grab a reading plan this Sunday and let's get on the same page.
